  - Nov. 6-8<sup>th</sup>
  - Santa Cruz
  - Register by midnight tonight -- \$10
  - Register after tonight -- \$15
  - Cost covers housing, food, everything! (Not transportation)
  - Email Kelsey if you want to go and she will set up carpool

## World Café

- Local focus – get more students to buy in
  - Volunteer based farming and incentives and discounts
  - Attract people who are really interested in working on farm, not just who want a job
  - Show importance of farmer – equal to CEOs, politicians, etc.
  - Local farmer could train volunteers
- Who would work?
  - Unemployment rates are high – more people would be willing to work on a farm at a time like this than they would be under normal conditions maybe?
  - Downside – workers won't get benefits until farm is well established
  - Volunteers working with farms
  - Community service with inmates, homeless, etc.
